It was back in 1981 when Coach Gary Norvell lead the Ganesha varsity football team to a league championship. Well, a lot has changed these past years - different league, different coaches - and Ganesha has been trying to keep that fighting G-High pride going but has always fallen short in the end. We seniors remember in 1983 when the 3rd place wild card underdog Ganesha team took C.I.F. with the help of Coach Dave Huey and Coach Gary Norvell who was up in the box running the show. Now this school year the G-High team has erupted with another league championship to get that G-High pride going once again. This year's team had had star players like Jody Crawford and Terrell Thompson who have started ever since their sophomore year. You can say it has been a year to remember and let's hope next year's returning vers like Kenny Steele, Raul Rodarte, and Aaron Brown can repeat it.

- Pere Radovic

I've got it! I've got it!

"THE PRODUCER"

Coach E. Hackett has been Ganesha's track coach for six years. He is the one who produces the great product everyone sees when watching this team and former members of this team. He pushes us to do our best and in doing so, we have DOMINATED the league every year. He tells us, "If you want to be the best, you have to stick with it," and everyone that has done so has become the best.

Coach Macias

This year's wrestling team started off slowly, but picked up towards the end of the season. We brought home to Ganesha a team victory for the first time in 13 years! Sal Sanchez, the team captain, was a tremendous help. His spirit seemed to give the team a lift. I'd like to thank Coach B. Irwin for taking care of the little, but important things for the team around the campus. - Coach Macias

1986-87 GANESHA

This year's varsity soccer team consists of Top: Trae Stafford - the savior of the backfield, Alvin Bland - strong second goalie, Tracy Nash - key setup man, Steve Poe - a great outside shooter, Johnny Rodriguez - this year's captain, Kenny Baker - great potential for stardom, Paul Johnson - rough defensive player, Bryan Jones - good, hard, all-around player, Jay Godown - excellent head shot Bottom: Mario Hackenberg - the assist man, Damon Engdahl - hard working forward, Ken Yanow - Assistant Captain, Derek Ozeki - good ball handler, Mike Herrick - the only freshman, Jose Villalobos - strong utility player, and goalie Trevor Nash, Brian Boyd, Rick Hackenberg

VARSITY SOCCER

DEFENSE

What a group! The heart of Giant soccer. This year's varsity soccer defense sustained four shutouts in the first six games. "Our defense plays with 110% intensity throughout the whole game. They have a great deal of desire, usually when we lose it's because of a bad call of some sort or a rare mental mistake." - Coach Bryan Boyd

OFFENSE

This year's offensive squad is still in its developing stages. They started to click really well at the end of the year. Next year they should be a force to reckon with. "We have many young players on the squad this year. By the time they are ready to graduate, they will be one dynamite crew." - Coach Rick Hackenberg

Jose Villalobos drives in to the goal for one of those brief moments of ecstasy, a score.

Bryan Jones clears the ball to Jay Godown as Mario Hackenberg watches and waits in a close game with Garey High.

Jay Godown sizes up the defense as he prepares for a shot on goal. Damon Engdahl and Tracy Nash look on.

Trevor Nash, Hacienda League's 'Goalie of the Year', makes another one of his outstanding saves. Good job, Trevor, and . . .

GOOD JOB GIANTS!

MUSCLE

THE GANESHA GIRLS' BASKETBALL TEAM,

if nothing else, has fun. The GGVB team is comprised of members of diverse backgrounds and abilities. Because of this diversity the members find themselves having a good time. Everyone has special team names from Huckleberry to Purple to El Camino and Ding. A lot must be said for Coach C. Brown. A coach of a young team, she often gets very frustrated, but thanks to her patience and ability to care, she's really helped the team through its rough season. The girls' team is lacking support, but with a little help from our sponsors . . . YOU . . . next season they'll come back stronger than ever.

Captains Toni and Valerie are the team's only returning seniors. Toni and Valerie often led the team in points and rebounds.

Goodbye to one of our favorites

Loa Tewkesbury

Loa Tewkesbury will be leaving our family. She has been teaching at Ganesha High School for over 10 years. I know that future high school students who have never had the pleasure of having Twks as a leader will lose out on a wonderful experience. I know that she is going to enjoy her life after high school. Enjoy yourself Twks!! We will all miss you and you will have to keep in touch.

Love to you!

1986-1987 STAFF MEMBER OF THE YEAR

SOMETHING TO THINK ABOUT

THE PENALTY OF LEADERSHIP

In every field of human endeavor, he that is first must perpetually live in the white light of publicity. Whether the leadership be vested in a man or in a manufactured product, emulation and envy are ever at work. In art, in literature, in music, in industry, the reward and the punishment are always the same. The reward is widespread recognition; the punishment, fierce denial and detraction. When a man's work becomes a standard for the whole world, it also becomes a target for the shafts of the envious few. If his work be merely mediocre, he will be left severely alone - if he achieve a masterpiece, it will set a million tongues a-wagging. Jealousy does not protrude its forked tongue at the artist who produces a commonplace painting. Whatsoever you write, or paint, or play, or sing, or build, no one will strive to surpass, or to slander you, unless your work be stamped with the seal of genius. Long, long after a great work; or a good work has been done, those who are disappointed or envious continue to cry out that it can not be done. Spiteful little voices in the domain of art were raised against our own Whistler as a mountebank, long after the big world had acclaimed him its greatest artistic genius. Multitudes flocked to Bayreuth to worship at the musical shrine of Wagner, while the little groups of those whom he had dethroned and displaced argued angrily that he was no musician at all. The little world continued to protest that Fulton could never build a steamboat, while the big world flocked to the river banks to see his boat steam by. The leader is assailed because he is a leader, and the effort to equal him is merely added proof of that leadership. Failing to equal or to excel, the follower seeks to depreciate and to destroy - but only confirms once more the superiority of that which he strives to supplant. There is nothing new in this. It is as old as the world and as old as the human passions - envy, fear, greed, ambition, and the desire to surpass. And it all avails nothing. If the leader truly leads, he remains - the leader. Master-poet, master-painter, master-workman, each in his turn is assailed and each holds his laurels through the ages. That which is good or great makes itself known, no matter how loud the clamor of denial. That which deserves to live - lives.

WORK EXPERIENCE

DAWN TANNER

"I work at K-Mart in Ladies Apparel. I have learned to assist customers in matching different styles. I also set ads and display merchandise in various fashionable ways. The Work Experience Program has been very beneficial to me; it has shown me what other employers expect of me and my capabilities. I now have a broad view of what my interests are and realize that I have more skills than I thought I had. My future plans are to go to college and major in music and education to prepare for teaching."

BILL WIECK

"I work at K-Mart in the toy department. I have learned how to operate a cash register, assist customers, stock shelves, and set ads. I plan to become a mechanic or construction worker. The Work Experience Program has helped me get a better understanding of what I have to do for future jobs."

Once again students took control of school, had an endless amount of joy, and also made a good amount of money. Now just sit back and let us show you how it went.

EDITOR

I have worked with the yearbook staff for three years. I have worked with some of the most talented and skilled people around. I have taken my knowledge and, with our funds, I have tried my hardest to create the best yearbook in our four years at Ganesha. 1987 is a special year filled with special memories. I hope that I have captured most of our memories in this book. To the students of Ganesha, I hope that in twenty years you can open this book, look at it, smile, and remember all of your good times here. My special thanks to Loo Tewkesbury for her help, love, and dedication. Thanks to my senior staff and to those who stuck by my side the whole way! Thank you, Surron, for your learning and dedication as well.

*Thanks,
Justin Esposito*

Volume XXIX

INVESTIGATOR INVESTIGATES THE GIANT STRIDE

I'm Detective Joe Friday, I was assigned on special detail to see what Stride was doing, and to see if any monkey business was going on. I wanted to see the internal workings of Stride. I walked down the hall, pulled a Camel out, and lit it. I was almost suspended — no cigarettes allowed on campus.

I came up on Room 51 on a cloudy, school day. The class was sitting in the main room, the work place if you will, of Stride. Here in these hallowed halls great ideas come across as hard as a one-two punch by a brood on a cold December morning (where are all these meaningless metaphors coming from?). The ideas are then formed into stories which will inform the world (or at least Ganesha), and the stories are then assigned to members of the staff.

I came back a week later on a cold, cloudy, rainy morning, the kind of a morning when everything looks bleak. I was almost taken to the Dean's office — for not having a hall pass.

I walked into the room and noticed the students all working hard. Chaos ran rampant through the room. (Try saying that five times fast!) It seemed as if the stock market just crashed. Students were running all over the place. They were either rushing to meet deadlines or the bathrooms had been locked again. I noticed one student in particular, Theodora Oyle, from the composite sketches. She was furiously typing away.

"Hey, Sweetheart," I said with a charm that could bear our Dogie, "what are you doing in such a hurry?"

"I'm typing my 1000 words per article." I knew the poor girl had messed up. She was supposed to write a total of 1000 words per month.

I made my way to the back room, the nerve center if you will, of Stride. Bryan Jones was listening to Oingo Boingo. He was a little taller than the composites made him out to be.

"Hi, Bryan," I said.

"How do you know my name?" he asked with confusion.

Roxanne Babeza, Brian Coulter, Robert Davis, Lloyd Eddy, Karen Espeseth, Priscella Espinosa, Joanna Gorman, Vanessa Hemenway, Adrienne Hubbert, Fernando Huerta, Jason Irwin, Bryan Jones, Ada Kwan, Josh Lawrence, Marcie MacGillivray, Scott Matz, Amber Moody, Marjan Naraghi, Theodora Oyle, Elise Parkin, Julie Parks, Darin Safford, Brian Shiu, Linda Stoddard, Robert Tol, Kimberly Wagner

"I know everything about everyone. I know when you are sleeping. I know when you're awake."

"So who are you, Santa Claus?"

"No. I'm Detective Joe Friday. I'm on special assignment to see what Stride is doing. I want to see if there is any monkey business going on here . . ."

"Nope, just donut sales," stammered Vanessa, eyes "glazed."

"Didn't we hit this in the first paragraph?" bullied Bryan.

"Yes, I think so."

I followed the editor, the big cheese, the head honcho, a Ms. Kim Wagner, towards the darkroom where frazzled photographer Karen was. In Kim's hand was a long, dark strip ripped to shreds. I assumed it was the remains of a roll of film. She came up to a young man whom I recognized as Robert Tol. I remembered him from the composites. He had a very worried look on his face.

Kim started, "Um, Rob, I don't know much about photography but . . ."

"You know film shouldn't be shredded like this?"

"Yes."

Uh-oh. Looks like the woodshed for Robert.

I looked towards the door and saw Julie Parks and Kim Wagner hurrying out. "Hey dolls," I said with enough charm to strap a cobra. "Where are you off to in such a hurry?"

They replied, "We're going down to The Courier in Claremont."

I've heard about The Courier before. It is the place where the articles are typeset. I was told by Kim and Julie that they move quickly. They hustle their bustle, if you will. They are very efficient.

Even with minor mishaps such as this, the paper always comes out on time and it is required to be one of the best high school papers in Southern California.

It was evident that no monkey business was going on here so I walked out into the rain, lit up a Camel, and left before anyone caught me.

The Media Network Club is run by approximately 10 students and an advisor, Mr. Bogardus. These students tape basketball games for Mr. Armstrong and Mrs. C. Brown. They also tape various drama productions for free. The Media Network Club is in the process of having fund raisers.

M.E.S.A.

The primary purpose of the Mathematics, Engineering, Science, Achievement (M.E.S.A.) Program is to prepare the student to enter college having completed all of the high school prerequisites that are needed for study in a major requiring calculus. Since success in such courses calls for the development of excellent study and test taking skills while in high school, M.E.S.A. attempts to offer the student assistance in this development.

The Psychology Club is a social service club. Some of the services this year include a scholarship to a graduating senior, fund raising for the David Toma project, and donations to Lanterman State Hospital and the House of Ruth at Christmas. BIO-

The Biology Club is open to Biology II students with a 'C' grade or better. The members help to raise money for biology field trips by selling refreshments at school functions such as basketball games and festivals. The field trips are arranged by the advisor, Mr. D. Spiteri, and the president and vice-president Justin Esposito and Kristy Adams. The trips are usually taken to Joshua Tree National Monument Park and Deer Camp to study insects, plants, and natural history of the area.

G-High's newest club this year is none other than the computeive, calculative, and very figurative Math Club. Spear-headed by the exuberant master mind of Mrs. Diane Kinch, these wizards of math have initiated a tutoring program, participated in the American Scholastic Mathematics contest, and even created a haunted house during Fall Festival. However, these meagerly substantial activities are no indication of what these walking cerebrums can really accomplish. Why, if you wanted them to, they could figure how many blades of grass John cuts in a 43.67 acre lot with a 3.5 horse-powered mower with 2 1/4 inch wheels, taking into consideration a 30 Newton drag force on the handle with respect to the horizontal. Just ask em'

SOCIETY...

The California Scholastic Federation, usually a monster of a club, has unfortunately dwindled down to average size this year. However, the lack in size has not thwarted the club members' plans of having great fun while still concentrating on academics. As a matter of fact, the wizardly Zero Crabtree has magically transferred this diverse group of freshmen, sophomores, juniors, and seniors into one, big, brilliant family.

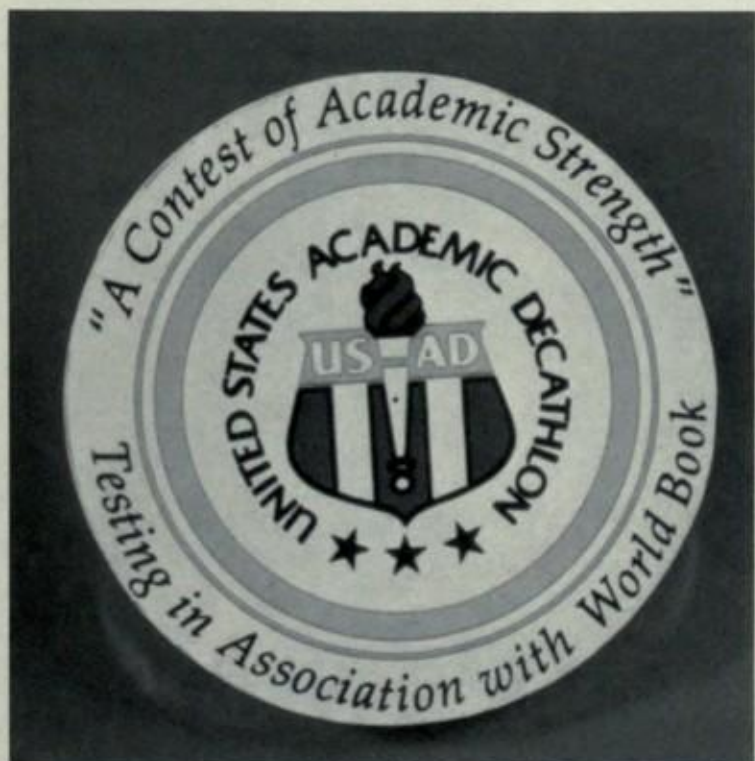

It's an A+ !!!

Bright, intelligent, brilliant, and effulgent are only some of the adjectives used to illustrate the mental capacities of these truly outstanding individuals. Pictured with their cerebral model, Albert Einstein, the academic decathletes smile in earnest delight knowing that they've completed a day of strenuous testing. We can really feel comfortable knowing that here lie America's future leaders.

The Graphics Club students have been with Mr. Fackler, advisor, for at least three semesters. They are capable of doing print production work on offset presses, silkscreen printing, and photography. Profits from production work help pay for field trips to the Gutenberg Festival and photo/camping outings to Catalina and the mountains. Many of these students go on to study graphics at the college level and work in print shops at the same time.

Members of the Graphics Club include: Mary Banuelos, David Dawson, Everardo Cerrillos, Karen Espeseth, Jennifer Glover, Quinn Hernandez, Danny Hernandez, Chandra Hill, David Hobson, Miguel Jimenez, Andrew Kurch, Hsiu-An Lee, David Mareus, Lisa Owings, Robert Peary, Estaban Samora, John Samora, Ron Story, Patrick Dinsmore, Heather Ebbert, Ada Kwan, Martin Madrigal, Joey Reyna, Trevor Nash, Rodney Shields, Mike Mudrak, Sebastian Brody

The Ganesha Choir has begun a genuine effort to improve in reputation, size, and musical performing ability. The choir has performed very successfully for the Pomona Unified School District P.T.A. Council, for the Diamond Bar Chamber of Commerce, and at Ganesha's Winter Concert. Future plans call for several spring programs including the Ganesha Spring Concert and the Pomona Unified Music Extravaganza which will feature the bands, orchestras, and choirs from Ganesha, Garey, and Pomona High Schools. Choir members hope to attend the Pacific Music Clinic at the University of the Pacific in Stockton. This will be the first time a Ganesha choral group makes a trip of this kind.

JUNIORS

WHAT IS A JUNIOR?

A junior is a student in his or her next-to-the-last year before graduating from an educational institution.

When people become juniors in high school they think to themselves about the prom and maybe even buying their first car. But most juniors spend a lot of time just thinking about being seniors and imagining themselves receiving that long-awaited diploma. People have their own interpretation of what their third year in high school is like. When asked to describe a junior, these students had the following responses.

"We're a crazy bunch of sixteen and seventeen year olds who can't decide whether we're happy to be out of P.E. or dreading Economics!" - Amber Jaime

"A junior is fortunately not a freshman or sophomore, but unfortunately not yet a senior." - Jennifer Wiese

"A junior is someone very important to this school. We are the ones who are working hardest right now to become one of those fortunate seniors!" - Cathie Fountain

"Juniors are it all!" - Luana Ortiz

"A junior is someone with one more year of high school. It seems that it is us juniors that work the hardest." - Nikki Waggoner, Sunny Rivera

"Juniors are the greatest!" - Katy Lee

Tai Taylor, President

Matt Hsieh, Vice-President

SENIOR CLASS FAVORITES '87

BEST BUDDIES

The Crusaders are a unique group of individuals who have stuck together through thick and thin. These five guys are loud, obnoxious, and a lot of fun and laughs to be around. They are best friends Josh Johnson, Paul Johnson, Matt Hsieh, Jim Nguyen, Ken Yanow.

Our lady best friends are Tai Taylor and L. Martin. These women are unique because their friendship has lasted through complaining, arguments, and good times. That's a great accomplishment, ladies!

MOST ATHLETIC

Terrell Thompson was voted most athletic guy on campus. Terrell participated in several sports - he was our star football player, he ran track, he wrestled. Most athletic female on campus was Katrina Wirt. Katrina has participated in sports since her freshman year. Track is her specialty.

SENIOR CLASS FAVORITES '87

Dana Hall and Marcia Jones are the two tallest people here on campus. Dana letters in football, basketball and track and is a star on any team. Marcia is on cheer and is one of our most spirited cheerleaders. Marcia and Dana both can walk down the hall and look above everyone.

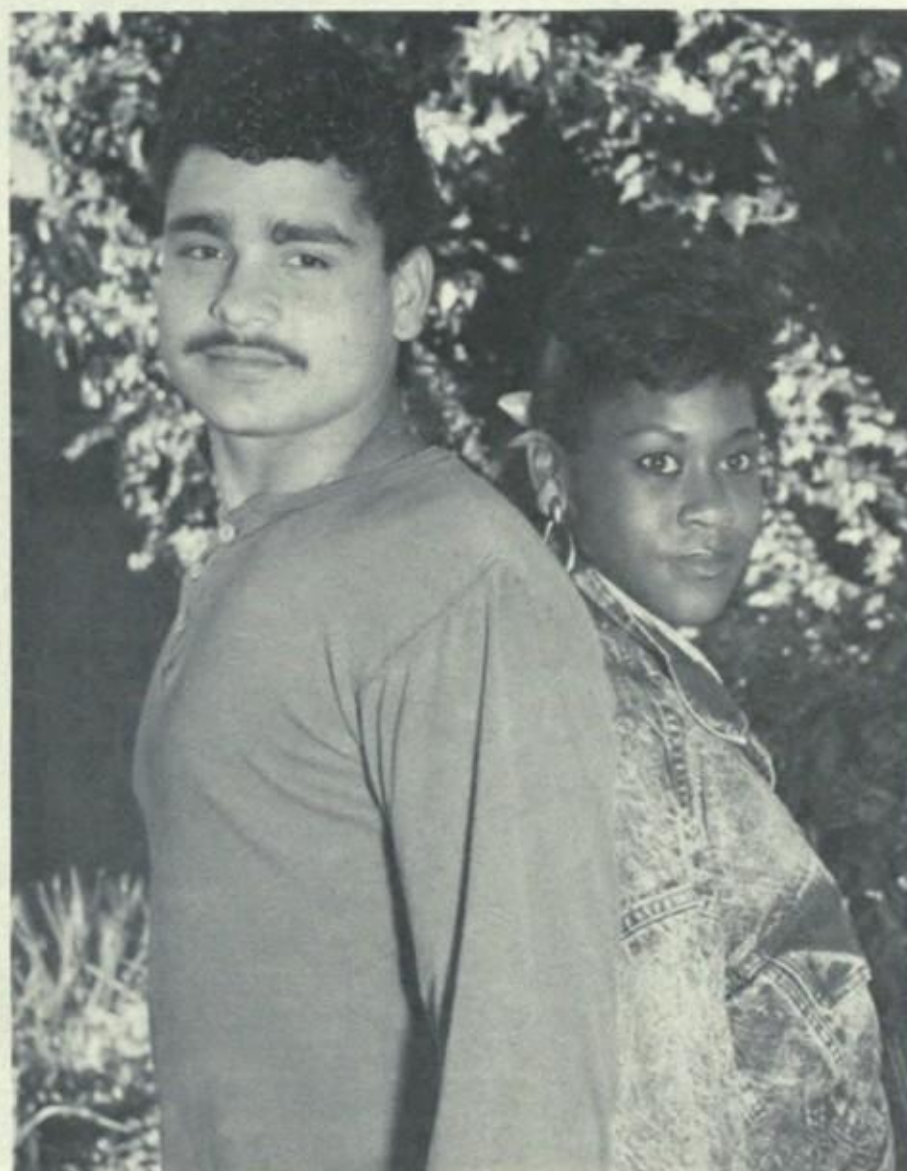

Ken Yanow and Debbie Davis are the two people who look at knees before they realize that they are standing next to someone. Though voted shortest two people on campus, they are looked "up" to by many!

TALLEST/SHORTEST

BEST DRESSED

Donira Banks and George Andrade always look as good as possible which comes very easy for them . . . they just always look good. The clothes they pick do have a lot to do with their appearance. They have that special eye for the hot happenin's in clothes.

SENIOR CLASS FAVORITES '87

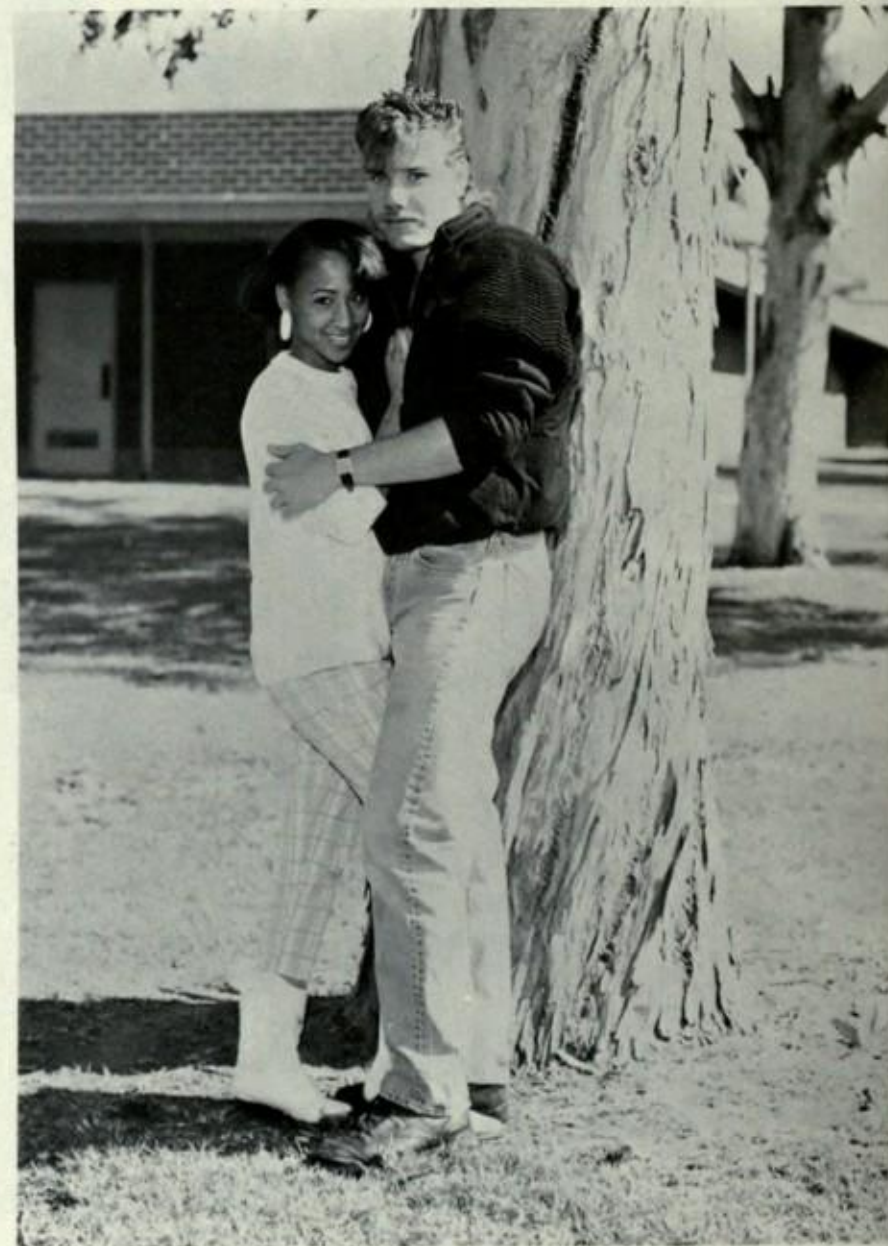

BEST BODY

Jennifer Glover and Lewis Butler were voted the two people with the best bodies. Jennifer's body would make anyone stop to take a second look to wonder how someone can really look so good. Jennifer is an active dancer which does help!

Lewis is active in all kinds of weight lifting and sports. He tries to keep his body in good shape and he does!

CLASS CLOWNS

Commenting, cracking jokes and asking senseless questions are the unique things that Jodi Crawford and Toni Gilbert are known for. The senior class voted these two people the senior clowns.

Dionne Wilson and Ron Story always have that little compliment to make people feel good. These two enjoy looking and touching many people. They like to express themselves with hugs and lovin'. That is why these two were voted our class flirts.

SENIOR CLASS FAVORITES '87

MOST POPULAR

The people most known, most liked were voted most popular. These two people are Lori Ames and Damon Engdahl. These two were our homecoming King and Queen. They are as well known as Ganesha High School is.

With dimples and bright teeth Robin Lewis and Trae Stafford will greet you. These two were voted to have the best smiles in the senior class. Their smiles will warm you inside. This is their very good way of saying "hello".

CUTEST SMILE

CLASS DITCHERS

CHRIS BELL

JUSTIN ESPOSITO

MONICA CONTRERAS

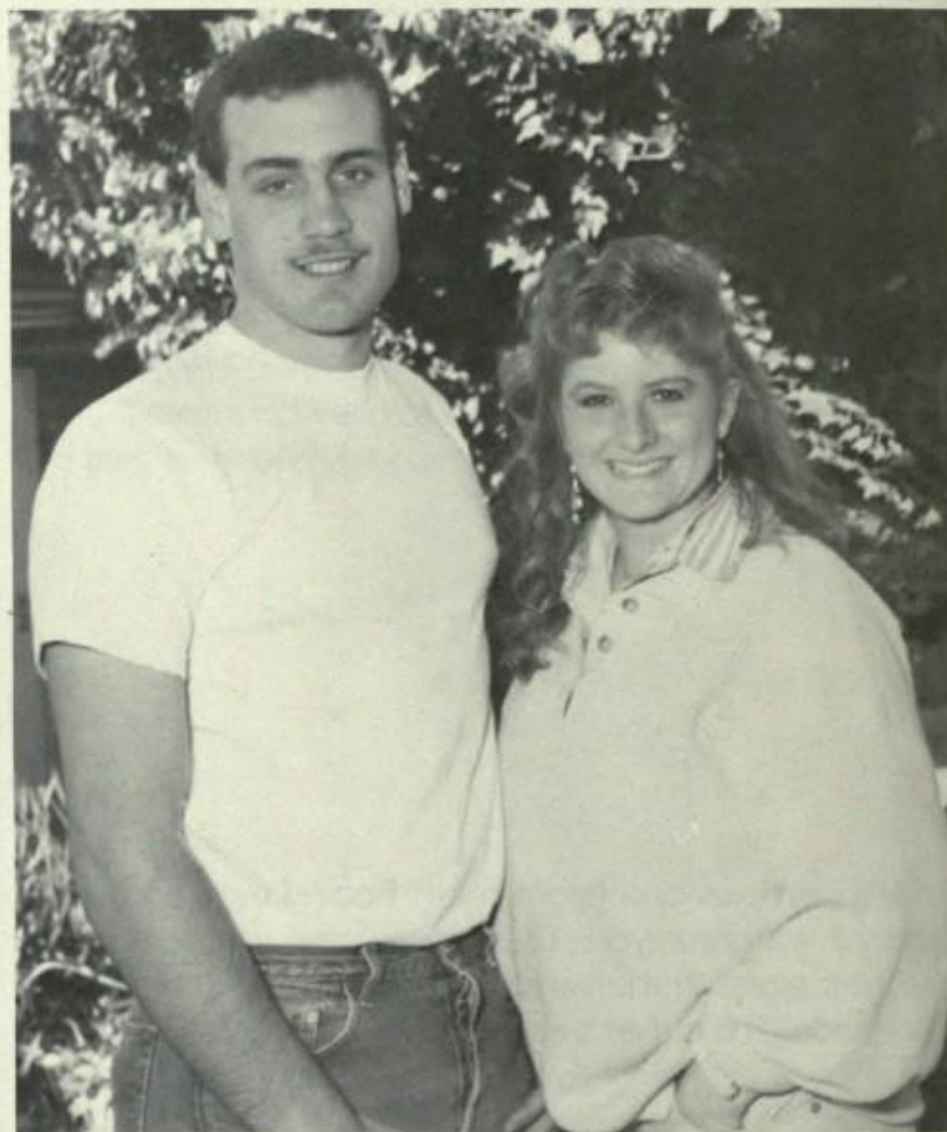

Where were you? These people were not available for the pictures. They were obviously ditching again!

SENIOR CLASS FAVORITES '87

CUTEST COUPLE

Michelle Lorang and Kevin Milliron were voted as the cutest couple of 1987. Kevin and Michelle have been together for well over two years. We wish them the best in the future. Hope it holds great things for the both of you. Good luck!

MOST RADICAL

Jo-Jo Bartholomew and Marcia Jones were voted Most Radical people of our senior class. They have a unique way of being totally different from everyone else. They're crazy?????!!!

MOST ACADEMIC

Trigonometry, Chemistry, Biology II, and all of the honors classes are where you will find Matt Hsieh and Kim Wagner. These two people are very talented and skilled. They push themselves to the extreme to accomplish their goals.

SENIOR CLASS FAVORITES '87

PARTY ANIMALS

These ten people are the party animals of the school. Want to know where there is a party? Ask one of them! Want to know how to party? Party with one of them. Want to know what is going on this weekend? Ask any of them. They always find a way to party and a way to have a good time. They all Party Hardy.

Good luck guys. Always be party animals.

Congratulations Seniors!

The class of 1987 is very special to me. We all came to Ganesha as freshmen in 1983; we are leaving together in 1987.

We've gone through open campus, closed campus, smoking area, no smoking area, CIF championships in football, girls' soccer, boys' and girls' track and the heart breaking one point loss to Wilson at the Sports Arena for the CIF-SS 3A Boys' Basketball championship.

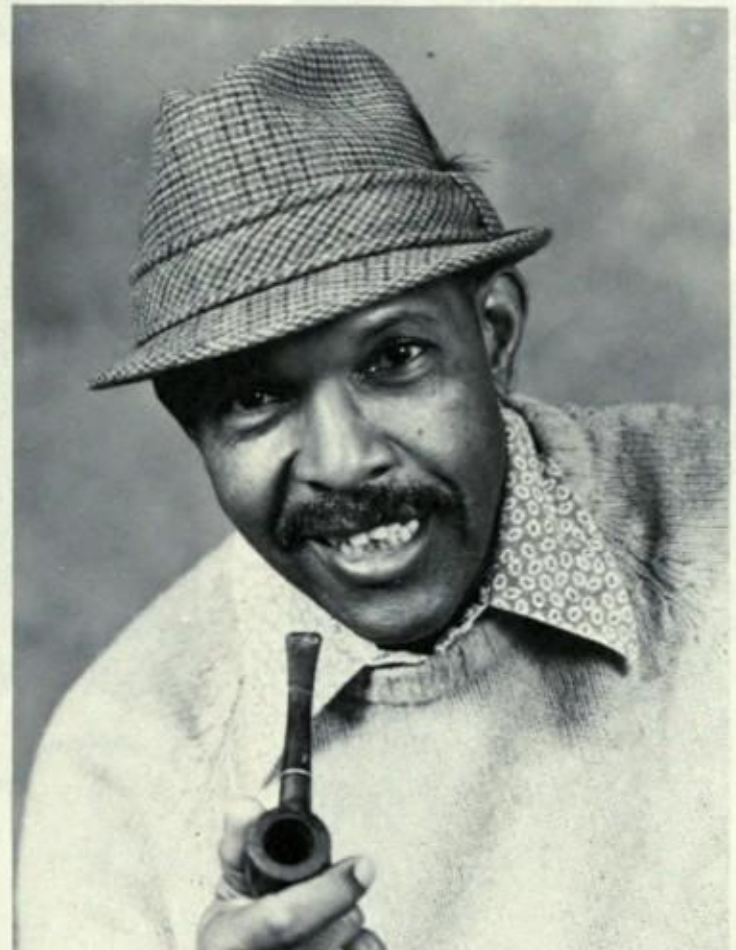

Good luck to each and every one of you. Make your life worthwhile. Do the best that you can with what you have. Best wishes and I'm so glad I had the opportunity to know you.
